Seedy Saturday is Toronto's BEST Eco Fair,

With Seed exchange, Heirloom seeds for sale, gardening workshops, and kids activities.

The Theme this year is **POTATOES**, to read a bit more about heirloom potatoes please [click here](#)

Seedy Saturday is the day when the new gardening season begins in earnest. You can have an opportunity to learn more about gardening, hone and share your gardening skills, and buy or exchange vegetable and flower seeds.

We are seeking to ensure that there is an ample supply of heritage and organic seeds available. There will be organic gardening supplies, soil amendments, tools and resources. Environmental organizations and community groups will have information tables on topics of interest to gardeners.

And, as always, there will be food and beverage stands to enhance the overall experience and atmosphere.

What are the Artscape Wychwood Barns?

The Barns are located at 601 Christie Street, just south of St. Clair Avenue.

Seedy Saturday will be held in the Barn's Covered Street (Barn #2)

Located in the historic TTC streetcar repair barns at St. Clair and Christie, The Artscape Wychwood Barns <http://torontoartscape.on.ca/barns> is a brand-new, multi-faceted community centre that has brought together arts, culture, and environmental leadership.

Admission:

Admission is by donation, \$2 recommended or pay what you can.

Directions:
